Today, Good Shepherd Sunday, is also the World Day of Prayer for Vocations.

A vocation is a call from God. Most people are called to the married life. Some are called to a single life. Some people are called to religious life and choose to take vows and live in a religious community. Some are called to the priesthood and are ordained for service in the Church. God loves each one of us, and has a dream and a plan for us to find happiness and fulfillment. Each of us is offered the opportunity to discern where and how our unique gifts and talents meet the world's hungers and needs.
