**Information regarding Churches - COVID-19**

- Masks will need to be worn by everyone entering and moving around in our churches, although while in “physically distanced seating” masks may be removed (this also applies to the celebrant at the altar, the reader at the ambo and the cantor at the podium).

Doors will open 30 minutes before mass time. Upon arrival parishioners will confirm their pre-registration with the greeter and will be asked to read and confirm compliance with the COVID-19 Self Assessment Screening Questionnaire, which will be displayed at the entrance to the church. Parishioners are reminded that if they are feeling ill, they should not attend public worship.

Parishioners are asked to respect and follow the direction of volunteer greeters and ushers while in the church. These volunteers will be assisting with seating, communion and exiting. This will ensure adherence to required guidelines.

Each church will have a different capacity based on size and layout. Pre-registration to attend Mass will be required. To register to attend mass you are asked to contact **weekly** the designated volunteer for your church between **10:00 am and 2:00 pm on Wednesday**. Please respect this process and only call at the indicated times. ***When you register, please identify if you are in a bubble with someone to help maximize seating capacity.***

**Merry Christmas!**

**The Angel said to the shepherds; “Do not be afraid, for see-I am bringing you good news of great joy for all people; to you is born this day in the City of David a Saviour, who is the Christ our Lord”. (Luke 2: 10-11)**

With the Covid-19 affecting the different communities and every country, has raised a lot of fear and anxieties. Loss of lives and jobs or businesses; brought strain to the health system and the economy; put everybody’s health vulnerable to the disease; continued insurrections and conflicts happening all over the world; natural disasters and calamities: what is the good news?

Do not be afraid. Jesus is Emmanuel – God with us. Often times, our anxieties, pains or sufferings in life are caused by our realizations that believing in Jesus, our Saviour has not shielded us from disasters, disease, sufferings and death. The words of the Angel make us realize that all these experiences do not mean God has abandoned us. These are all part of our being mortals. Even Jesus had to be subjected to suffering and death when He became Word Incarnate. The good news is, God is with us; God is in control. From the pains and anguish of the cross, Jesus gained victory and salvation. From crooked lines, God works in straight lines. Let us approach the manger with loving faith and unwavering trust celebrating Jesus in our hearts.

On behalf of Fr. Charlie Kelly and Fr. Jerome Hann, may the Spirit of Christmas fill your hearts and homes with love and peace. **Merry Christmas!**

Fr. Jose Joaquin
