

The **XXXI World Day of the Sick** will be celebrated on February 11, 2023. A message from Pope Francis highlighting this day can be found on the Archdiocesan webpage (www.rcsj.org).

WORLD DAY OF THE SICK- FEBRUARY 11, 2023

On the theme "Take Care of Him". Compassion as a synodal exercise of healing, the Pope's Message highlights the evangelical figure of the Good Samaritan as an example of compassion with which the Church is invited to measure itself in order to "become a true field hospital", and counteract the condition of loneliness and neglect to which many brothers and sisters in need are left. In the text, Pope Francis points out that the parable of the Good Samaritan "suggests to us how the exercise of fraternity, which began with a face-to-face encounter, can be expanded into organized care" and recalls the work of priests, health workers, family members and volunteers "through whom good stands up in the face of evil every day, in every part of the world". In this perspective, the Holy Father finally emphasised that the World Day of the Sick not only "calls for prayer and closeness towards those who suffer", but at the same time "aims to raise the awareness of God's people, healthcare institutions and civil society with regard to a new way of moving forward together".

Could God be calling you to become a priest? Come and see: A vocation discernment group, led by Fr. James Fleming, meets regularly on the last Sunday of every month at the Basilica. Single Catholic men, 18 years and older, who are open to considering a call to the priesthood are invited to attend. The group meets at 6:30pm to pray, share a meal, and discuss a topic related to discerning a call to the priesthood. To register or find out more, please contact Fr. James Fleming at (709) 834-9481 or vocations@rcsj.org.
