

**Update for the Parishioners of
Sacred Heart Church Placentia
August 27, 2022**

This memo is being given to you by the undersigned for the purpose of *information* only. Here are some points that we wanted to share with you. Please pass them on to whomever you wish. Please spread the word.

- The parishioners of Sacred Heart Church need to be incorporated. This is in the process.
- To our knowledge no bids have been made on Sacred Heart Church as of today.
- There is a prospective contributor that will allow us to bid on Sacred Heart Church and retain it for our use.
- In the near future we will call a meeting of the parishioners of Sacred Heart Church. This will include the communities of Ferndale, Jersey side, Southeast, Bond's Path, Point Verde, Big and Little Barasway, and Placentia. This meeting will provide a plan for the future.

The cemetery under the Church helps us to connect with our past while looking to the future. We must honour their right to peace.

The *interim workforce* is made up of representatives of the Sacred Heart Church Restoration Committee and the Parish Council. This work group will explore all avenues to preserve our church, monument and cemeteries.

Over the years, Sacred Heart Church has been utilized for all types of services and celebrations including: masses, weddings, funerals, cemetery celebrations, graduations, sacramental events, Memorial Day and Remembrance Day services, etc.

Adrian O'Keefe (227-4597)
Restoration Committee

Ian Walsh (227-2507)
Parish Council
