Information regarding Churches - COVID-19

- Masks will need to be worn by everyone entering and moving around in our churches, although while in “physically distanced seating” masks may be removed (this also applies to the celebrant at the altar, the reader at the ambo and the cantor at the podium).

Doors will open 30 minutes before mass time. Upon arrival parishioners will confirm their pre-registration with the greeter and will be asked to read and confirm compliance with the COVID-19 Self Assessment Screening Questionnaire, which will be displayed at the entrance to the church.

Parishioners are reminded that if they are feeling ill, they should not attend public worship.

Parishioners are asked to respect and follow the direction of volunteer greeters and ushers while in the church. These volunteers will be assisting with seating, communion and exiting. This will ensure adherence to required guidelines.

Each church will have a different capacity based on size and layout. Pre-registration to attend mass will be required. To register to attend mass you are asked to contact **weekly** the designated volunteer for your church between **10:00 am and 2:00 pm on Wednesday**. Please respect this process and only call at the indicated times. ***When you register, please identify if you are in a bubble with someone to help maximize seating capacity.***
