**Information regarding Churches - COVID-19**

**The Archdiocesan COVID-19 Sub-Committee Update of October 18, 2021:**

The Archdiocese of St. John's **will not** require people to verify proof of vaccination using the vaccine passport for worship services. Therefore, in accordance with public health measures as outlined at <https://www.gov.nl.ca/covid-19/life-during-covid-19/vaccination-record/businesses-and-organizations/> the following will apply to all Churches of the Roman Catholic Archdiocese of St. John's:

- \*Everyone must wear a non-medical mask at all times (including the officiant and musicians);
- Congregational singing is not permitted;
- The names and contact information of all attendees must be recorded and retained for 14 days for contact tracing, and must be shared with public health officials if requested;
- Physical distancing must be maintained between individuals from different family groups; and,
- Entry must be restricted to only those who do not have COVID-19 symptoms and who are not required to self-isolate for any reason.

**Points of Further Clarification:**

\*RE. the presider/musician wearing a face mask; the Sub-committee sought clarification from the government and was informed that the presider and cantor can remove their masks when speaking/singing

- IF:**
- they are a minimum of 6ft/2m away from other people,
  - they are the sole person using a given microphone  
 (i.e. these are practises already in use in our diocese and also apply to the lectors)

All other musicians and choir members must remain masked.

Contact tracing will again be mandatory which means names and phone numbers of those attending worship services must be recorded and the record kept for 14 days.
