Information regarding Churches - COVID-19

The Archdiocesan COVID-19 Sub-Committee makes the following recommendations:

- While the wearing of masks is no longer mandatory, in keeping with the guidance from Public Health, we recommend and encourage the continued wearing of face masks during liturgical worship, etc.
- Rules are unchanged around the distribution of Holy Communion. The presider should still be masked during the distribution of communion for his own safety as well as the safety of the communicants. We strongly request that you wear your mask to Holy Communion.
- The need to observe social distancing and enhanced sanitation protocols must be maintained.
- Contact tracing Registration

Doors will open 30 minutes before mass time. Upon arrival parishioners will confirm their pre-registration with the greeter and will be asked to read and confirm compliance with the COVID-19 Self Assessment Screening Questionnaire, which will be displayed at the entrance to the church. Parishioners are reminded that if they are feeling ill, they should not attend public worship.

Parishioners are asked to respect and follow the direction of volunteer greeters and ushers while in the church. These volunteers will be assisting with seating, communion and exiting. This will ensure adherence to required guidelines.

Each church will have a different capacity based on size and layout. Pre-registration to attend mass will be required. To register to attend mass you are asked to contact **weekly** the designated volunteer for your church between **10:00 am and 2:00 pm on Wednesday**. Please respect this process and only call at the indicated times.
